Education

2013	PhD	Sociology	University of California, Irvine
		• <i>Vertex Processes in Social Networks</i> (Carter T Butts, Chair)	
2010	MA	Sociology	University of California, Irvine
2008	MA	Demography	University of California, Irvine
2007	MS	Statistics	Northwestern University
2005	BS	Mathematics (<i>Hons</i>)	University of Oregon

Primary Appointments

2026–present	University of Washington – Seattle
	Blumstein-Jordan Professor of Sociology
	Adjunct Professor, Department of Statistics
	Senior Data Science Fellow, eScience Institute

Affiliations at the University of Washington

Faculty Fellow	Center for an Informed Public
Faculty Affiliate	The Center for Studies in Demography and Ecology (CSDE)
Faculty Affiliate	Urban@UW
Faculty Affiliate	The Center for Statistics and the Social Sciences
Faculty Affiliate	The Center for Environmental Politics
Faculty Affiliate	West Coast Poverty Center

Past Appointments

2022–2026	Associate Professor	Department of Sociology	University of Washington
2021–2024	Training Director	CSDE	University of Washington
2020–2022	Assistant Professor	Department of Sociology	University of Washington
2018–2020	Research Scientist	Demography and Survey Science	Facebook (Meta), Menlo Park, CA
2013–2018	Assistant Professor	Department of Sociology (joint)	University of Minnesota
2013–2018	Assistant Professor	School of Statistics (joint)	University of Minnesota

Past Affiliations and Visiting Positions

2019–2020	Affl. Assist. Prof.	Department of Sociology	University of Washington
2017–2018	Visiting Scholar	Graduate School of Education	Stanford University
2016–2017	Visiting Scholar	Dept. of CS & Engineering	University of Washington
2016–2017	Visiting Scholar	CSSS	University of Washington
2016–2017	Visiting Scholar	eScience Institute	University of Washington
2017–2018	IonE Associate	Institute on the Environment	University of Minnesota
2017–2018	Faculty Affiliate	Digital Technology Center	University of Minnesota
2014–2018	Faculty Affiliate	Data Science Program	University of Minnesota
2013–2018	Faculty Affiliate	Minnesota Population Center	University of Minnesota
2013–2018	Faculty Affiliate	Life Course Center	University of Minnesota
2009–2013	GSR	Sociology	University of California, Irvine
2008	YSSP Researcher	World Population & Global Health	IIASA
2007	Research Analyst	Statistics and Methodology Division, NORC	University of Chicago

Research interests

Housing and homelessness, population health, public health, computational social science, social network analysis, statistics, AI and data science, demography, and environmental sociology

Awards and honors

- 2026 Blumstein-Jordan Professor of Sociology – The Blumstein-Jordan Endowed Professorship is awarded to a distinguished senior faculty member in the sociology department.
- 2026 Best Poster Award, Population Association of America for *Forced Displacement of People Experiencing Homelessness: Housing and Movement Outcomes after Encampment Clearances*. (With Brandon Morande, Kim Serry, Amy Hagopian).
- 2025 SIPS Commendation Award, Society for Improving Psychological Science for *Recommendations for sharing network data and materials*. (With Zachary Neal et. al.).
- 2025 Best Poster Award, Population Association of America for *The Relationship Between Eviction, Substance Use, and Health Among People Experiencing Homelessness in King County, Washington*. (With Ihsan Kahveci, Tim Thomas, Nathalie Williams, Paul Hebert, and Amy Hagopian).
- 2023 Best Poster Award, Population Association of America for *Political and Educational Dynamics in Religious Groups' Mask Resistance Under COVID-19*. (With June Yang and James H. Jones).
- 2022 NSF Early Career Development (CAREER) Award.
- 2021 Leo Goodman Award, American Sociological Association's Section on Methodology.
- 2018 Best Paper Award from the 10th International Conference on Social Computing and Social Media (HCII 2018) for *Stay Connected and Keep Motivated: Modeling Activity Level of Exercise in an Online Fitness Community*. (With Li Zeng and Emma Spiro).
- 2017 Nominated (top 5) for the Lee Dirks Award for Best Paper (Best Completed Research Paper) from the iConference2017 for *Let's Workout! Exploring Social Exercise in an Online Fitness Community*. (With Li Zeng and Emma Spiro).
- 2016 Recognized as one of the Top 50 Graduate and Postdoctoral Alumni Honorees at UCI's 50th year Celebration. Honorees were selected from across all divisions in the University, and represent 50 years of graduate education at UCI.
- 2014 ARO Young Investigator Program (YIP) Award.
- 2013 Geoffrey Tootell Mathematical Sociology Outstanding Dissertation-in-Progress Award, American Sociological Association's Section on Mathematical Sociology for *Vertex Processes in Social Networks*.
- 2012 Honorable Mention (2nd place) for the Student Paper Competition from the Pacific Chapter of the American Association for Public Opinion Research (PAPOR) for *Predicting Regional Self-Identification from Spatial Network Models*.
- 2012 Honorable Mention for the Robin Williams Jr. Paper Award from the Department of Sociology, University of California, Irvine for *Random errors in egocentric networks*.
- 2011 Best Methodological Poster Award from the 4th Annual Political Networks Conference for *Contending Parties: A Logistic Choice Analysis of Inter and Intra-group Blog Citation Dynamics in the 2004 US Presidential Election* (with Carter T Butts).
- 2011 Order of Merit Award: A. Kimball Romney Award for Outstanding Research Paper from the School of Social Sciences, University of California, Irvine, for *Predicting Regional Self-Identification from Spatial Network Models*.
- 2005 Graduated with departmental honors in Mathematics and from the Clark Honors College, Univ. of Oregon. Honors thesis: *Lower Tail Probabilities and the Gaussian Process*.

Workshops

- 2019–2020 Five-hour long workshop on survey weighting for non-response bias for Learn Facebook: Research Methods, Facebook, Menlo Park, CA.
- 06/2018 Week-long course in Social Network Analysis, Epidemiology and Population Health Summer Institute, Columbia University, New York City, NY.
- 05/2017 Exponential Random Graph Models, Social Networks and Health Workshop, Duke University, Durham, NC.
- 11/2016 Spatial Analysis and Mapping Workshop, iSchool Data Science Program, University of Washington, Seattle.
- 01/2016 A Brief Introduction to Social Network Analysis: Descriptives to Statistical Inference, Inequality & Methods Workshop, MPC, UMN.

Mentorship and advisement**Data Science mentorship**

- 2020–2030 NIH T32 Data Science and Demography Training (DSDT) Program, CSDE, UW Almquist, Z.W. (Director 2020–2024 & Graduate Student Mentor)
The CSDE NIH T32 DSDT program provides dedicated research and scholarly training for future leaders in the intersection of demography and data science through a two-year directed fellowship.
- 2024 eScience Data Science for Social Good Program, UW Almquist, Z.W. (Project Lead and Mentor)
The UW Data Science for Social Good summer program brings together students, stakeholders, data scientists, and domain researchers to work on focused, collaborative projects for societal benefit.
- 2022 Google Summer of Code, Joint UW and UCLA Almquist, Z.W. (UW) (Co-mentor) and Fultz, N. (UCLA) (Co-mentor)
Google Summer of Code is a global, online program focused on bringing new contributors into open-source software development. GSoC Contributors work with an open-source organization on a 12+ week programming project under the guidance of mentors.
